However, if your child attends for VPK only, and you'd like them to attend during this time, the fee is \$100 per day.

Emergency Closing

Emergencies, due to weather or other unforeseen events may require TLP to close. When Leon County Schools, State of Florida and/or local emergency management officials recommend closure, TLP will be closed. The decision to close the center will be made by the Director. In the event an emergency closing is necessary, parents or individuals designated as emergency contacts will be called and asked to pick up children immediately. In the event an emergency occurs during a time when the preschool is closed, every effort will be made to notify parents through email and/or ProCare messenger. Tuition will not be refunded during extended closures due to a pandemic or a public health emergency or extended closures due to a weather, act of nature, or other unforeseen events.
